FNCU’s New Mobile Banking App

Login Credentials: If you would like to change them, visit our website (firstnebraska.org) and log into Online Banking and click on the icon.

Remember Account: Click this so that you won’t need to answer a security question or type your email address each time you log in. (Not recommended if others have access to your phone.)

Enable Touch ID or Face ID: Click this button so that you can log in with your fingerprint or facial recognition, depending on the type of phone you have. With either of these options turned on, you won’t need to type your user name and password to log in. (See what the Face ID option looks like below.)

Menu: Click on the “3 lines” icon on any screen to get to the Menu screen.

Accounts: View all the accounts your name is associated with.

View our Branch locations or get our contact information (phone, email, address) without having to login.
**Deposit:**

This is the Remote Check Deposit option. Take a picture of the check to deposit it electronically.

**Transfer:**

Transfer money from one FNCU account to another.

**Scheduled:**

View all scheduled transfers you have setup.

Choose to transfer the money now or on a specific date.

**REMEMBER!**

Endorse your check with “For Remote Deposit Only FNCU”.

By Clicking on the Submit button, you agree to the following terms and conditions of the Remote Check Deposit Disclosure.
Bill Pay:
Set up recurring bills or one-time payments here and it will be paid on the day you choose.

Messages:
Send a secure message to FNCU. View sent and received messages here, too.

Camera:
Take a picture of your bill, and it will "read" the invoice #, account # and payee name/address.

Add:
Setup payees here.

Statements:
View your statements.

Apply for a Loan:
Opens our loan application.

Make Payment Online:
Make payments from other financial institutions.

Check Ordering:
Order checks here.

Log Out:
When you're done with your session, please log out.

Version:
See what version of the app you have. Check your App Store/Google Play to see if new updates are available.
