

1. Log into Online Banking. (If you do not have Online Banking, call us today to get setup.)
2. After logging in, click on the “**Mobile Banking**” icon,  then acknowledge and accept the terms and conditions. Next, click on “**Setup Access**” and establish a secret code for the mobile device.
3. On your mobile device, download our FREE* Mobile Banking app from the App Store or Google Play Store. To find our app, click the icons under “**Download Today**” or simply type “**FNCU**” in the search area.
4. After downloading the Mobile Banking app, the FNCU icon should appear on your screen. 
5. Open the FNCU Mobile Banking app and log in using your account number, PIN and secret code.
